### **Mowbray Public School Out of Area Enrolment**

A non-local enrolment is a student whose permanent residence does not fall within the designated local enrolment area. Parents/carers may apply to enrol their child/children at Mowbray Public School.

Places for non-local applicants will be considered by a panel including the principal, P&C representative and a staff member. Places will be considered in relation to the number of teaching spaces available and sufficient buffers to be left to accommodate new local area enrolments.

Please note: *Offers to non-local applicants can only be made if places are available.*
