# MOWBRAY NEWS

Term 4, Week 1  
12 October 2017

## PRINCIPAL'S REPORT

Welcome to Term 4 – always an exciting term at Mowbray!

### **SURVEY FOR SCHOOL PLANNING – 2018-2020**

#### **HAVE YOU COMPLETED YOUR SURVEY?**

#### **CLOSING DATE FOR RESPONSES IS FRIDAY, 13<sup>TH</sup> OCTOBER**

The link to the survey (on SurveyMonkey) is:

<https://www.surveymonkey.com/r/VN7M5QH>

Many thanks to those parents who have completed the survey. Your input will be most helpful as we work this term on preparing our School Plan for 2018-2020. The many positive comments on such items as the strong community feel of the school and the commitment and dedication of the staff were most encouraging.

Interestingly, we found that some of the suggestions for new programs and opportunities are already being trialled. For example, this term *Enrichment Programs* involving selected children from Kindergarten to Year 6 are being trialled by Philippa Hartman. (We welcome Philippa back from Maternity Leave.)

Also, all classes will be participating in a STEM Program (Science, Technology, Engineering and Mathematics) with activities based around problem solving. The program is being run by teachers Sam Newman and Nicholas Chung and we thank them for the enormous amount of time they have put into the planning and preparation of the sessions (3 sessions for each Stage).

Mr Newman comments that “STEM is currently an alternative delivery of key learning areas. It allows students to tackle problems collaboratively whilst utilising thinking from a scientific, technological, engineering and mathematical point of view. The process allows students to flourish in aspects of learning that they may not usually flourish in. As a new initiative, Mowbray have incorporated STEM days for each year group. We look forward to implementing this seed and watching it grow and develop in the years ahead at Mowbray.”

Before we move any further into Term 4 some achievements from last term need to be acknowledged:

## **DEBATING**

Congratulations to the *Mowbray "Masterminds"* senior debating team on their magnificent results in the Regional Debating finals at the end of last term. The team won their two debates on the day but unfortunately, they were not able to compete in the semi-finals as they were held during our Stage 3 trip to Canberra. Nevertheless, a great result!

## **JUMP ROPE FOR HEART**

*The Heart Foundation* has extended a "big thank you" to the Mowbray school community for the amazing effort of raising \$11,341.00 through the Jump Rope for Heart Program. These funds will be used for the lifesaving heart research carried out by the Foundation. (Prizes for those children raising the most money will be forwarded to the school soon.) Thank you to Brigitte Morrow for all her efforts in organising this event.

## **"LITTLE BIG SHOTS"**

Congratulations to Zennon, Harmony and Lennox who appeared on the "*Little Big Shots*" Program on Channel 7 last Sunday demonstrating their amazing skills in the art of wrestling.

## **LOST PROPERTY**

Lost Property continues to be an issue with four large tubs full of school uniform items already at the space at the bottom of the blue stairs. This in spite of the fact that all named items in the tubs were returned to their owners at the end of last term. Please make sure that your child has all items of school uniform safely stored at home and that each uniform item is clearly marked with the child's name.

Items of lost property cannot be retained at school indefinitely.

## **CHILDREN AT SCHOOL BEFORE 8.40AM**

Playground supervision by teachers commences at 8.40am. The only children at school before that time will be those involved in a dance/music rehearsal or on an excursion which leaves early. Before School Care is available at Cubbyhouse Child Care for children who need to be dropped off before 8.40am for any other reason.

## **ORGANISATION FOR 2018**

We have already begun organisation for 2018. If you know that your child will not be returning to Mowbray next year (excluding the current Year 6) could you please let the school office know.

## **TERM 4 PLANNER**

A copy of the Term 4 Mowbray Planner will also be emailed out with this newsletter.

## SCHOOL & COMMUNITY NEWS

### STAGE 3 CANBERRA EXCURSION

At the end of term 3, Stage 3 went on an educational trip to Canberra to learn more about democracy, which we had been learning about all term. Some of the things we did at the accommodation was the party game, where all the teachers got to impersonate occupations and the ad jingle game where we got to sing ads in our cabin groups. We had to wake up every morning at 6:30 to get to the mess hall! We went to the Royal Australian Mint, where they make two million coins every day- that's 650 coins in a minute! We also went to the New Parliament house, Old Parliament house, Questacon, the Australian War Memorial, the AIS, also known as the Australian Institute of Sport, and the Australian Electoral Centre.

My personal favourite was the AIS because we got an amazing tour by a professional swimmer who showed us around all of the training areas where the members got to train, and we could play fun games on interactive machines. Some of the things we did was doing a mock debate at Parliament, and we watched the changing of the guard at the Australian War Memorial. We also went to the Australian Electoral Centre, when we were learning more preferential voting, when the fire alarm went off, so we jumped on the bus and went back to Sydney. Thanks to the amazing teachers and the parent helpers who gave up their time and put in lots of effort to make this trip enjoyable for Stage 3.

## REGIONAL DEBATING FINALS

In week 10 of Term 3, the Masterminds debating team attended the Regional Debating finals held at the Collaroy Education Centre.

Over 120 schools participated in the Premiers Debating Challenge and after three full terms of debating, 16 schools were nominated Zone finalists, of which we were a part of.

Our Mowbray Masterminds first debated against Terry Hills PS and after a close and nerve racking debate on the topic, "That schools should include two hours of charity work per week for kids in Year 5 and above", they won and moved on to the next round.

After their excitement had died down, they were ready to proceed to their next debate against, Middle Harbour PS. The topic for this debate was, "That we should only ever give feedback in primary school instead of grades or marks". What a close debate it was! After a long suspenseful pause from the adjudicator, he finally announced that we had won!

Throughout the competition, all speakers spoke so well and really proved that they had taken on board everything they had learnt throughout the year. It really was such a proud moment for all parents present and myself as their coach.

Sadly, due to our Canberra Excursion the next day, we could not continue in the competition and attend the semi-finals. We therefore had to forfeit and leave with the knowledge that overall we finished undefeated fourth out of 124 schools, a result worthy to be remembered in Mowbray history.

Well done team, what a great end to an awesome debating season! I thoroughly look forward to continuing our success next year with the year 5 students of the team and all the new Year 4 students who decide to take up debating next year.

## Heart Foundation Jump Rope for Heart

### CONGRATULATIONS MOWBRAY!!!

What a wonderful fundraising job Mowbray did to raise \$11,341.00 for the Heart Foundation through all their efforts in the Jump Rope for Heart Program. A special mention to our top 6 fundraisers: Sammy & Owen B, Findlay, Hunter, Yuhansa and Sailor who combined raised \$3700!

Thank you to all students, parents and the community for their participation in and support of the program. Prizes for all fundraising students will go home later in Term 4.

**Brigette Morrow**

### 'ICE BLOCK FRIDAYS'

**SRC FUNDRAISER TO HELP SUPPORT OUR SPONSOR  
CHILDREN  
EVERY FRIDAY DURING TERM 4**

SRC and Year 6 will be organising Fruit Ice Blocks on Fridays for all of Term Four, commencing **Friday 12th October**. Students will be required to make a \$1 donation, which will go towards fundraising for our Sponsored Children. The Fruit Ice blocks will be available in the second half of lunch and the Year 6 & SRC will be stationed outside the Canteen Area.

## ROAD SAFETY AT MOWBRAY

Road safety practices are essential around all schools. Always use the pedestrian crossing on Hatfield Street or the traffic lights on Mowbray Road when visiting the school– **never call your child across the road.**

Always ensure your child enters and exits the car using the rear passenger door on the **footpath side**. A 40km school speed zone is in place around the school from 8.00am to 9.30am and 2.30pm to 4.00pm.

### **Travelling to School**

When entering from the main entrance of the school use the traffic lights on Mowbray Road. The pedestrian access gate located near the tennis courts can also be used entering from Hatfield Street.

### **Supervision**

Until they are 8 years old, children should hold hands with an adult:

- on the footpath
- when crossing the road.

Until children are 10 years old, they should still be closely supervised in the traffic environment and hold an adult's hand when crossing the road.

**Penalties exceed \$439 and 2 demerit points for stopping on or near a crossing.**

### **Safe Car Travel**

Children should enter and exit your vehicle via the rear passenger door on the footpath side, as this is the safest way.

Children up to 7 years old are required to sit in an approved booster seat, with the seat belt fastened, in the back seat of the car.

The NSW Roads and Traffic Authority recommend that children under 12 years do **not** travel in the front seat of a vehicle.

**Penalties exceed \$2530 and loss of 7 demerit points for speeding in a school zone.**

### **Where and How to Park**

#### • Kiss and drop zone

The Kiss and Drop zone is located at the front of the school on Mowbray Road. The area provides parents with convenience and improves road safety around the school. Drivers can legally pick up and drop off the children within a **2 minute timeframe**.

#### • Staff car park

The staff car park on Willandra Street is for staff only. Please do **not** use the car park to drop off and pick up your children. The area is **out of bounds for children** at all times- even when accompanied by an adult.

#### • No stopping and bus zones

No stopping and bus zones are located on all streets surrounding the school. Please be mindful of the signs in place.

**Penalties exceed \$330 and the loss of 2 demerit points.**

# When kids ask "the" questions... Interrelate has the answers!

**Interrelate's high-quality Sexuality and Relationship Education program is coming to your school!** With over 90 years' experience in this field, Interrelate has a reputation for providing excellence in sexuality and relationship education. Today, over 40,000 students and family members participate in Interrelate School and Family programs each year.

Many parents find it hard to discuss questions relating to sexuality education. *We know how to help break the ice.* Interrelate programs are interactive and family focused, and are conducted by highly trained and experienced educators, who adhere to a strict code of ethics.

## Session 1: Where did I come from? (1 hour session - Year 3-8)

This session educates children more about how their bodies work and the differences between males and females, including their understanding of conception, fertilisation, foetal development and the birth process.

## Session 2: Preparing for puberty (1 hour session - Years 5-8; Years 3-4 at parent's discretion)

This session prepares children and parents/caregivers for the physical, social and emotional changes associated with puberty, and addresses changing emotions and relationships with families and peers.
