Term 3 Week 2
31 July 2019

PRINCIPAL'S REPORT

[WELCOME BACK to an exciting Term 3!](#)

OPEN DAY 2019

Education Week (Monday 5 August – Friday 9 August) is a statewide annual event that celebrates public education in NSW.

The achievements of public education and local schools are highlighted during the week, with an emphasis on our students, our educators and the communities that support them.

Every student, every voice is the 2019 Education Week theme. It is an important message that underpins our ambition within the NSW Department of Education to every student being known, valued and cared for, and gives us the opportunity to reflect on the valuable role student voice has in creating engaged citizens who will thrive beyond the school gates.

Please join us on Tuesday 6 August to celebrate Education Week 2019.

Events:

9:20-10:20 – Concert with selected performance groups.

10:20-11:00 – Open classrooms

11:00-11:30 – Morning tea in the hall for parents

CHILD PROTECTION

A mandatory requirement of all schools is to teach child protection lessons every year. These lessons are designed to inform students of their personal rights and how to keep themselves safe in many situations.

During Term 3, all classes at Mowbray Public School will participate in child protection lessons on a weekly basis. There are three content areas which will be addressed: **Recognising Abuse, Power in Relationships** and **Protective Strategies**. If you have any questions please make an appointment to see your child's class teacher.

TUTTI CONCERT

This Wednesday 31 July, students from some of our performing arts groups will perform in the combined schools TUTTI concert at Chatswood Concourse. If your child is performing in this concert and you haven't purchased tickets, please visit <https://theconcourse.com.au/tickets/> and use the word TUTTI in the search box.

ICAS 2019

Mowbray PS will be providing the opportunity for students in Years 2-6 to participate in the English and Mathematics ICAS competitions this year. The International Competitions and Assessments for Schools (ICAS) is an independent, skills-based assessment programs developed by Educational Assessment Australia (EAA).

This year the competition is online. Testing will occur before school for each of these competitions. The dates for these competitions are as follows:

English: Monday 16 September

Mathematics: Tuesday 17 September

Payment for these competitions is through the new direct Parent Payment Service. If you would like your child to participate in this competition, you will need to visit: <https://unsw.global/support-icas> and use the code **57d1a46247**.

NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability.

Attached to this newsletter is a document explaining what the NCCD means for all schools. If you have any questions about the NCCD, please contact the school.

Dear Parents and Carers,

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Mandy Ryan

CHESS!!

Learn to be a chess champion! Coaching for students from Years 1-6 at Mowbray Public School is held on Tuesdays from 1:00pm to 1:50pm, starting on 23 July 2019. There are two groups – one for Beginner/Rookie players and one for Intermediate/Advanced players.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games, with personal guidance and feedback from our experienced coach.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

Zumba Classes for Adults HERE at Mowbray Public School Hall!

if you can
DREAM IT

DO IT

What is Zumba?

Fitness classes that are fun, energetic, and make you feel amazing!!!

Zumba takes the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning **dance** fitness party. Once the Latin and World rhythms take over, you'll see why Zumba® Fitness classes are often called exercise in disguise.

Super effective and Super fun!

No Booking required...Just show up with your smile and let's kick off those Fitness Goals together!!
