

MOWBRAY NEWS

Term 4, Week 6
18 November 2020

PRINCIPAL'S REPORT

It is hard to believe that we are already in Term 4, Week 6! This term is flying by, possibly as we now have the clearance to go on excursions and do many of our usual activities. It is wonderful to see happy students!

I would like to extend my thanks to all our parents/carers who are still following the drop-off and pick-up protocols. Your support of the processes ensures the safety of all our students.

Presentation Day – COVID Safe plans

Presentation Day has been scheduled for Tuesday December 8.

The format of individual certificates and awards will be the same as in previous years.

Sadly, due to current COVID restrictions and the size of the school hall, adults will not be allowed on-site to watch the event live. To ensure that all our families have equal access to the events, each stage assembly will be filmed and the videos will be sent as private links (within a week of the events) to our MPS families.

We do have some students who do not have 'permission to publish'. Those families can rest assured that their children will not be shown on the video although they will participate in the assembly.

I appreciate that an on-site Presentation Day is traditional and a way for all our families to celebrate the success of all students, however, this compromise is COVID safe and allows our families to view the event with their children.

Year 6 End of Year Events – COVID Safe plans

Year 6 Farewell

As our Year 6 families know, our Year 6 farewell will continue with COVID safe measures. Thank you to Aly and Julie who are working with the parent team to put together a fun-filled event.

Year 6 Final Assembly

Traditionally the whole school and Year 6 parents attend the final Year 6 assembly, followed by a K - 5 student arch for our Year 6 to run through.

This year we will have the final assembly at 2:40pm on Wednesday 16 December. To be COVID safe, attendees will be Year 6 and Year 6 parents (number of attendees per family has yet to be decided). Specific information will be sent home to Year 6 parents in the coming weeks.

Students from Kindergarten to Year 5 will clap for our Year 6 students from outside their classrooms.

Mini-fete

Year 6 have begun organising a mini-fete for Friday 27 November. This fete will run in stage groups and will have stalls that are designed to be COVID safe.

PRINCIPAL'S REPORT

Another Congratulations

A big congratulations to Mrs Collins and her husband as they are expecting their first child in 2021. For those who are counting that is four babies born this year to MPS staff and two for early next year!

Excursions

All excursions that have been organised in Term 4 (including the on-site mini fete) have a COVID safe plan to ensure student safety.

Enrolment for 2021 - Kindergarten

A polite reminder that if you have a child who will be attending Kindergarten in 2021 we need you to come up to the office to start enrolment as soon as possible.

Reminder: Returning late or not returning in 2021?

Documentation of student movement is essential for the school executive to make 2021 classing structure decisions. Included in this newsletter is a form (that was also sent via School Stream) to inform the school if:

- your family will be taking extended leave over the December/January holidays and your child will be returning to school later than Friday 29 January 2021 (it is essential we have written documentation stating your proposed date of return) or
- your child in Kindergarten – Year 5 will not be returning to MPS in 2021

I would politely request that any families who fit into these categories please fill out the form included in this newsletter or complete the form electronically via School Stream.

Thank you for your support with our 2021 planning.

SCHOOL NEWS

TALENT SHOW 2020

Attention all students! Start rehearsing because the Talent Show is on again!

Every year, students at Mowbray Public School look forward to the end of year Talent Show. The Talent Show will go ahead this year but due to COVID restrictions, things will run differently.

Students are encouraged to start organising and rehearsing their acts. Talents might include singing, dancing, story telling, drama, music or comedy.

- Each student can only appear in one act
- Each act must be less than 3 minutes

Students are asked to record a quality video performance of their act. This will need to be done out of school hours. A good quality sound/video recording is recommended and should be in a common file format.

Video entries need to be emailed to Miss Havron misty.havron@det.nsw.edu.au by Friday 4th December. Alternatively, videos can be uploaded to a USB and given to Miss Havron in 3/4H by Friday 4th December. This might be a better option for larger files. Please label all USBs (name and class) so they can be returned.

Once the videos have been received, a teacher panel will view all entries and select the most appropriate and entertaining acts. A video of performances will then be created and viewed by K-6 students at school.

Each participating student must complete the permission slip below to Miss Havron by Friday 4th November.

We look forward to an exciting, COVID safe event!

SCHOOL NEWS

Multicultural Public Speaking Competition

The Multicultural Public Speaking Competition took place in a different format this year due to Coronavirus. From the speech I did at school I was selected to represent our school, and a video of my speech was sent to the Zone judges. From there I was selected as one of two Zone winners to compete in the Regional finals.

This year the final was held via a zoom meeting in Week 3. I had to present my prepared speech and an impromptu speech with 5 minutes preparation time on the topic *Be Careful*. Unfortunately, I was not one of the two people picked to go to the State final but it was still a great experience!

Dear Parents and Carers,

Have you noticed that Mr Horsley, Mr McElhenny, Mr Seifert, Mr Bromham & Mr Williams-Veazey look a bit different lately? We're growing moustaches for 30 days in November and it's not just a bold fashion statement. We're doing it to raise funds for the Movember Foundation, and we need your support.

We're supporting the Movember Foundation because they're tackling some of the most significant health issues faced by men. Your donations will help them stop men dying too young. Should you wish to find out more, information is available on the website: <https://au.movember.com/>

There are several ways you can contribute to our Mo growing effort.

Option 1

Donate online at <https://moteam.co/mow-bray-ps>

Option 2

Write a cheque to 'Movember' referencing our registration ID (2258289) and post it to - Movember, PO Box 60, East Melbourne, VIC 8002, Australia

Option 3

Participate in our Mowbray fundraiser. On **Thursday 26th November**, students (and teachers!) will be holding a fundraiser in aid of Movember at school. All that students need to do to support this worthy cause is to bring in donation of a gold-coin and wear a moustache for the day.

Moustaches can be created at home, drawn onto the face, made from pipe cleaners, string or other materials. Moustaches are available at local fancy dress shops too!

The students wearing the 'best' moustaches on **Thursday 26th November** will also be rewarded with a game of handball against the teachers. Covid precautions will be put into place for handball.

Thank you in advance for your 'mo-gnificent' support.

Mowbray Band is inviting students currently in Years 2 and above to join our 2021 Training Band. No previous musical experience is required to join Training Band, and children have a lot of fun playing as part of a group and performing at school functions and music festivals.

Band rehearsals take place weekly one morning per week before school (currently Thursdays), and we connect you with experienced music tutors to help your child learn their instrument. We also have a range of instruments available for hire.

JOIN MOWBRAY STRINGS

2021

Learn to play a violin, viola, cello or double bass!

The Mowbray Strings Program has been in place at our school for 18 years, growing from a very small handful of students to more than 80 students today. Children from Year 1 can enter the program, where they learn to play an instrument, read music, participate in an ensemble and develop an appreciation of music.

The rapidly growing Strings Program offers four ensembles. As part of an ensemble, the students have the chance to play with and listen to their peers in a fun and relaxed environment. This provides great motivation as well as socialisation across year groups, often leading to strong friendships.

In 2021, all students in Years 1 – 6 are warmly invited to join the Strings program. It's never too late to start to learn an instrument!

All Kindergarten students attended a “**Meet the Strings**” session this week where they had a demonstration of each instrument by existing students as well as hear from our senior ensemble group. As this opportunity was only available to Kindy students for now, here are some videos of our current Strings ensembles and a piece they have been working on.

[Chamber Strings: "Eye of the Tiger"](#)

[Camerata: "How to Train your Dragon: Test Flight"](#)

More information is available at <http://www.mowbraypandc.org.au/strings/>

Weekend of Music - For two weekends during the year, students have music workshops with tutors on a Saturday and Sunday to work on pieces. This is followed by a concert on Sunday afternoon.

If your child is interested in joining the Strings program, parents are invited to attend an Mowbray Strings information session on **Tuesday 10th November, 7:30-8:30pm** via Zoom for any questions about the program.
