PUBLIC SCHOOL

MOWBRAY NEWS

Term 4 Week 8
4 December 2019

PRINCIPAL'S REPORT

School Uniform shop donation to the school

This year Pauline McMenamin has been organising a second hand uniform shop to open at P&C and School events. This has been a joint initiative between the P&C and our Student Leadership Team. The students have worked at the stalls, supporting the community and helping to recycle our uniforms.

Last Tuesday the students presented our P&C President Matt and myself with the cheque. The \$6724 will be added to the Year 6 farewell gift money from 2019 funds to upgrade the speakers in the school hall, increasing the capability for sound to be projected during events like Presentation Day and Performing Arts Night.

With the 2018 Year 6 farewell money we have purchased an upgraded PA system that will help project our groups such as choirs when performing outside. The hope is to use this system at the upcoming Carols Night (7 December). Thank you to Nick Middleton, one of our parents who is helping with this purchase. A big **Thank You** to Pauline and her supportive team.

Parent/Carer helper's morning tea

On Tuesday we had our annual Parent Helper's Morning Tea. At this morning tea the staff thank all our parent/carers who have helped in classrooms and the school across the year as well as our Scripture and Ethics teachers. Another big THANK YOU to these people. A school needs community support to run effectively and your contribution is greatly appreciated!

PRINCIPAL'S REPORT

End of the Year staff changes

As mentioned in the previous newsletter we have some new staff joining us in 2020. We also say good bye to some of our current staff. Alana Toombes has been given a job at the new school 'Smalls Road' opening in North Ryde in 2020. Sam Newman is taking on a new career challenge outside of teaching in 2020. Both Alana and Sam have worked hard to improve the learning outcomes for the children of MPS – we wish them well in their future endeavours!

Invoice Reminder

Thank you to all our parents who have paid their invoices in full and on time in 2019. Excursions and activities are picked by the teachers to help supplement and extend a rich learning program. On time invoice payment is greatly appreciated as it allows Mowbray Public School to continue to provide those extra activities to all students. I would ask all parents who still have outstanding costs for 2019 to please pay promptly.

P&C Contribution

The last of the P&C funds have been spent for 2019. The details of the Cozmo Robot and OSMO kits are in this newsletter. Thank you to all those who have generously contributed.

P&C

The P&C are advertising for a new secretary – it is an exciting role that is greatly supported by the P&C team. If you are looking for a way to contribute to the school that is outside school hours, this is the job for you! If you are interested or would like more information, please contact the P&C via email executive@mowbraypandc.org.au The time commitment would be attending two P&C meetings per term.

P&C Spending for 2020

The P&C are keen to hear the parent/carer community ideas for spending funds in the short and long term. In this newsletter there is information about submitting your ideas for P&C spending to improve Mowbray.

CAROLINE ALFORD
PRINCIPAL

P&C Spending Ideas 2020

Do you like to spend money?

As you plan what presents to buy for the holiday celebrations, how about planning what you would like to see bought for our kids at school? Every year, the P&C raise money (including voluntary contributions) to contribute towards extra support for the school, and school community activities.

P&C monies in 2019 have funded additional teacher's aide time, Microsoft MakeCode program for students to learn basic coding skills, LEGO robotics kits, Year 6 farewell celebration, Mother's and Father's Day breakfasts, school planting and garden beds, and more!

What ideas would you like to see implemented with P&C funds in 2020? Perhaps a school Lego club? Another outdoor COLA for more shade? Additional computers? Funding for a new school community event? We would love to hear your ideas! All you need to do is:

1. Write a brief description of your idea (max. 2 paragraphs)
2. Do some preliminary research on costs, equipment or providers to implement (if needed)
3. Send this to the P&C at executive@mowbraypandc.org.au and present your idea at a P&C meeting
4. Help with the implementation or purchasing (super important this one and essential for your idea to be accepted!)

So get those holiday thinking caps on and flood us with amazing ideas on how to make Mowbray Public School an even better place for our kids in 2020.

OFFICE NEWS

OUTSTANDING TERM ACCOUNTS: If you have any outstanding fees for 2019 please can you settle them before the end of term through POP.

KINDERGARTEN 2020: If there are any siblings who have not enrolled for Kindergarten next year, please could you complete an Enrolment form and bring to the office with all the supporting documentation. Enrolment forms are available from the school office or on the school website <https://mowbray-p.schools.nsw.gov.au/about-our-school/enrolment.html>

OFFICE HOURS: The office is open from 8.30am to 3.30pm and if you need to contact the school please do so during those hours. When contacting the office about your child by email please ensure that you state your **child's name and class** so the matter can be dealt with quickly and forwarded to the correct person, if necessary.

for any K-6 students will be handed out at the Year 6 Final Assembly:

3B	Jemima T, Jessica W
3H	Zavier V, Isabel B
3E	Maisie C, Hriday S
4E	Jeremy F
6WV	Ella Mc
6K	Abbi Mc

SCHOOL NEWS

Voluntary Contribution Spending 2019 *Term 4 Report*

Term 1 total spend: \$36 440

Term 2 spend: \$13 582

Term 3 spend, so far \$7289

Term 4 spend, \$2700

This is the last of our wonderful contributions from the P&C. The equipment has been ordered for use in later Term 4 and beyond.

Cozmo Robot

This robot is perfect for new coders, using Code Lab. The robot is interactive, it is able to talk and expresses hundreds of emotions, making the experience more engaging for our students. Cozmo can be programmed to move, lift objects and stack objects. It has been created to be more interactive for young programmers!

OSMO Teaching Kit, containing 5 games that are focused on creating problem solving through science, technology, engineering, art and mathematics.

These kits are also supplemented with two other coding kits – teaching logic skills and problem solving to complete the set.

Mark Webber is working with classes K-2 to implement all our new resources with students and support staff professional learning.

Thank you P&C!!

SCHOOL NEWS

SRC FUNDRAISING

This year the SRC have been busy! We have met on a fortnightly basis and discussed topics such as fundraising initiatives, leadership skills and suggestions of how we can continue to make Mowbray a fantastic school. This has allowed student voices to be heard and issues/ideas discussed with equality.

Our favourite experiences included meeting new people, supporting meaningful causes, and learning how to plan for events and manage difficult situations.

We have developed our leadership skills and our mentoring skills. We feel proud of the work that we have committed to this year. We can't wait for more SRC to come through to share this experience.

Sincerely,

2019, Stage 3 Leaders

Semester 2 2019 Fundraising

Breast Cancer	RSPCA	Royal Flying Doctor Service	Sponsor Child
			
\$660	\$707.75	\$468.40	An average of \$200 per week (throughout Term 1 and Term 4)

SCHOOL NEWS

Stage 3 PSSA Oz Tag

This term, selected students had the opportunity to try out for three Oz Tag teams and to participate in the PSSA Oz Tag program at Blackman Park. All 30 students had so much fun participating in this PSSA Sport every Friday afternoon. Some people had never played Oz Tag before but at the end of the day, everyone ended up in their place during the game. As a whole team, we felt that we learnt a lot of different skills each week.

The competition was run by the NRL and ran over 7 weeks. It was very well organised, which made it so much easier for all the students who participated to get out onto the field & have some fun.

There were also many highlights during the season with loads of people being able to score tries. People made many amazing runs and we also had some amazing taggers. Overall the effort from everyone was outstanding and the team work was a real highlight.

Overall, this year of Oz Tag was incredibly fun and everyone enjoyed it. All of the Year 5's can't wait to participate in the competition again next year and the Year 6's are happy that they got to be a part of it this year. Hopefully there will be a few more teams so more people can enjoy the amazing experience of playing Oz Tag.

As a team we would like to say a special thank you to Mr Mac who helped push for Mowbray to participate in the competition for the first time. Thank you for organising everything, for taking us each week and for giving up your lunch time. We hope you enjoyed the last 7 weeks like we all did!

Written by Bryce on behalf of all the students involved in PSSA Oz Tag

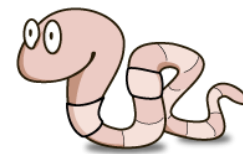

LIBRARY NEWS

A huge thank-you to our wonderful parent volunteers in the library this year. A **special thank-you** to **Jenny D, Sheyne L, Vanessa B, Silvia W, Mark Q, Shirley, Kirstin V, Mary-Rose D, Ambika J** and **Sharon**.

We are so appreciative of all your help and support.

Premier Reading Challenge (PRC) Certificates

All K-2 students participated in the challenge this year through the library program. Many 3-6 students participated as an optional challenge. There were many students who received gold certificates this year after four years of participating. Well done! Five students in Year 6 will be receiving **platinum certificates** after 7 years participation! **Congratulations to platinum awardees: Mimi, Elin, Tal, Eloise and Jodie!** What an awesome achievement!

Happy reading adventures over the holidays.

From Mrs D. Duveck-Steele, Mrs S. Kapp & Mrs J. Neil-Smith – Library Team

LIBRARY NEWS

Stage 2 Maker Space participants have been tinkering with STEM kits, coding, deconstructing laptops to recreate new objects and Lego Master Builder challenges. Students delved into the magical world of Harry Potter to design and make a device to lift Harry and his friends to safety. It was interesting to see how many students used pulley systems and elevators to solve the problem!

MOWBRAY
PUBLIC SCHOOL

Leaving the school in 2019 or Arriving late in 2020?

Dear Parents/carers,

The first day of school for Year 1 – 6 students next year will be **Wednesday 29 January, 2020**. Kindergarten students will be completing their Best Start interviews in the first week and officially start on **Monday 3 February, 2020**.

It is vital, for class and staff organisation purposes, that we know if your child/children will not be returning to Mowbray PS or be returning later than 29 January 2020. Some families take extended holidays in January/February and we need to know your return date so your child's enrolment can be counted.

This note does not apply to any 2019 Year 6 students.

Please return this note to the office as soon as possible

Not returning in 2020

Name	Class	Going To

Signed _____ (parent/carer) Date: _____

Returning late in 2020

Name	2019 class	Expected return date

Reason for late return _____

Signed _____ (parent/carer) Date: _____

Welcome to your uniform shop, PICKLES MOWBRAY PUBLIC SCHOOL

Why kids & parents love Code Camp!

Rated 4.9 on ProductReview.com.au with over 400 5-star reviews!

"Was tentative to do it at first, but after the first day was absolutely in love with code camp. Insisted on wearing hat and t-shirt for the next 2 days. Post-camp, he has continued to build on his game and now shares it with his school friends and family."

Stuart, Victoria

"My daughter loved her code camp and will be back for more... The experience was great, teachers were fantastic and the follow up emails with more activities has been unbelievable..."

Katie, Queensland

"The end result is far and away the best programming teaching environment I have ever seen. Seriously now my primary school child can program in JavaScript."

Jeffrey, Western Australia

Book with confidence

We are so sure your kids will love Code Camp, if they don't want to come back after Day 1, we'll refund the remaining days!
